Stainless Steel Extractor Set

**Strong and flexible,
the ultimate in broken
key removal.**

Retrieving broken keys and foreign objects from locks is a regular part of your business; your extractors are among your most-used tools. HPC produces the best extractors on the market. The Stainless Steel Extractors are designed to slide next to broken keys along the side mill and ride along the bottom pins to hook into a cut in the key. The set includes 4 different tips: single- and double-barb, curved up and down, all in a genuine leather case with snap closure.

No. ES-2000
