

# LORI Deadbolts by KABA ILCO

**USES ANY MORTISE  
CYLINDER!**

Your cylinder  
here (cylinder not  
included)

Heavy duty cylinder  
housing with one inch

throw bolt (two hardened steel pins). Double cylinder has no exposed screws. **Furnished less cylinder.** Uses standard 1" or 1-1/8" mortise cylinders, one for a single cylinder deadbolt and two (one pair) for each double cylinder deadbolt.

**Any manufacturer's mortise cylinder will fit, including high security.** Order cylinders from "Replacement Cylinders" section in back of this catalog.

**NOTE: Cylinders not included. DIB denotes Drive-In-Bolt**

## SINGLE CYLINDER. 2-3/8"
